Axis-Priorities	<p>Priority Axis 2: A sustainable and climate-adaptable cross-border area. Thematic Objective 6: Preserving And Protecting The Environment And Promoting Resource Efficiency.</p> <p>Investment priority 6c: Conserving, protecting, promoting and developing natural and cultural heritage. Specific Objective: To valorize cross border area cultural and natural heritage for tourist purposes.</p> <p>Investment priority 6d: Protecting and restoring biodiversity, soil protection and restoration and promoting ecosystem services including NATURA 2000 and green infrastructures. Specific Objective: To enhance the effectiveness of biodiversity protection activities.</p> <p>Investment priority 6f: Promoting innovative technologies to improve environmental protection and resource efficiency in the waste sector, water sector, soil protection or to reduce air pollution. Specific Objective: To enhance water management.</p> <p>Priority Axis 4: A socially inclusive cross-border area. Thematic Objective 9: Promoting social inclusion, combating poverty and any discrimination.</p> <p>Investment priority 9a: Investing in health and social infrastructure which contribute to national, regional and local development, reducing inequalities in terms of health status, promoting social inclusion through improved access to social, cultural and recreational services and the transition from institutional to community-based services. Specific Objective: To improve access to primary and emergency health care (at isolated and deprived communities) in the cross border area.</p> <p>Investment priority 9c: Providing support for social enterprises. Specific Objective: To expand social entrepreneurship in the cross border area.</p>
Eligible partnerships	Project proposals must include at least one beneficiary from each country participating in the INTERREG V-A Greece – Bulgaria 2014-2020 Cooperation Programme. Beneficiaries shall cooperate in the development and implementation of operations. In addition, they shall cooperate in the staffing or the financing of operations, or in both. The total number of beneficiaries must not exceed ten (10), including the Lead beneficiary.
Partners	national, regional or local public authorities bodies governed by public law private organizations
Number of Project Proposals	Each applicant can participate as Lead beneficiary or as beneficiary in no more than one project proposal per Investment Priority. If an applicant does not conform to the previous rule as explicitly stated above, all of its project applications will be rejected. In particular for Tertiary Education and Research Institutions, the previous rule applies to each Department
	Institutions located in regions outside the Programme area, but inside the two Programme participating countries, Greece and Bulgaria, can become project beneficiaries (co-financed by the ERDF) only in duly justified cases. Their budget cannot exceed the 20% of the support from the ERDF of the project and their proposed activities must be implemented in the eligible area.

INTERREG IPA CBC Programme Greece – The former Yugoslav
